

CONFERENCE SPONSORSHIPS

2023 OSHA ANNUAL FALL CONFERENCE - VIRTUAL

Greetings Friends of OSHA:

The 2023 OSHA Virtual Fall Conference hosted by the Oregon Speech-Language and Hearing Association, is scheduled for October 13-14, 2023! We would like to extend an opportunity for your company or organization to be showcased during this year's event.

This annual conference is the perfect way to support continuing education in this industry and showcase your company and products to over 300 SLP, SLPA, Audiologists, Administrators, and students in Oregon and beyond.

OSHA sponsorships provide a means for organizations to share their services and products while showing support for OSHA. Sponsorships help defray costs associated with the conference and permit OSHA to keep the registration fees low, allowing greater opportunity for participation by professionals and students across the state and beyond.

All sponsors will receive maximum exposure leading up to the virtual event, during the event, and following the event, as agreed upon for the sponsorship level your company chooses.

Please consider supporting this event. Doing so demonstrates your partnership and support of the mission of the Oregon Speech-Language and Hearing Association which is advancing the professions of speech-language pathology and audiology through education, advocacy, leadership, and collaboration to promote quality services for individuals and communities.

Sincerely,

Cynthia Adair

Sponsorship Chair
