9th Annual OSHA SPRING CONFERENCE

With eight successful years of informative topics and motivating speakers, the OSHA Spring Conference has become an important annual event for speech-language communities in the Northwest. The Spring Conference is tailored for school-based SLPs and encourages interprofessional collaboration that extends to our rural ESD colleagues across Oregon. The 2024 Spring Conference will be live streamed to individual participants on ZOOM. Please contact OSHA to request accommodations: OSHAoregon@gmail.com.

Continuing Education Information

ASHA CEU Processing Fee: There is a \$5.00 processing fee for the Oregon Speech-Language & Hearing Association to report your CEUs to ASHA. This fee is charged by OSHA, not ASHA. To record your ASHA CEUs, you must include \$5.00 with your registration fee and complete an ASHA Participant form and course evaluation form by end of day April 10, 2024. These forms will be shared in the chat at the end of the event and emailed out to all attendees.

Program Completion Requirements: Participants are expected to be present for the entire program. Individuals who are not present for the full program will not be recommended for ASHA CEUs. You must sign out at the end of the day to earn CEUs. No partial credit will be provided.

ASHA CE Registry Info: An annual ASHA CE Registry fee is required to earn ASHA CEUs. The participant pays ASHA CE Registry fees directly to the ASHA National Office. The annual ASHA CE Registry fee allows registration of an unlimited number of ASHA CEUs for the calendar year. Contact the ASHA CE staff at 800-498-2071 for CE Registry fee subscription and CE Registry eligibility information.

State Licensure Hours: A Certificate of Attendance will be emailed to attendees, by end of day April 19, 2024, who complete the course evaluation. Retain the certificate for upcoming license renewal with Oregon Board of Examiners for Speech-Language Pathology and Audiology.

Narrative Mosaics: Assessment and Intervention of Narratives Across Cultures

Course Description

This workshop will explore the use of narratives as a context for language intervention. Using culturally responsive principles and practices, the presenters will describe structural and stylistic features of narratives across cultures, including the evaluation and selection of children's literature. Dynamic assessment of narrative comprehension and production will be discussed, followed by strategies and procedures for using storybooks as a context for language intervention at the word, sentence, and discourse levels.

Learning Objectives

After completion of this conference session:

1. Participants will discuss stylistic and structural features of narratives across cultures.
2. Participants will plan a dynamic assessment around narrative comprehension and production.
3. Participants will assess and select storybooks based on culturally responsive principles.
4. Participants will use storybooks representing a variety of narrative structures to plan for word-level, sentence-level, and discourse-level language intervention.
